Thank You for 2010

As we begin a new year, we would like to say thank you very much to all of our church's loyal members and friends for your continued financial generosity and support of Catalina's mission in 2010. Because you share your gifts with God through Catalina, we are able to make a difference in the lives of many people in Tucson, nationally and around the world. Your support provides the resources to educate our youth, minister to our young families and senior adults and touch the lives of many people who need our help. If you have not returned your 2011 Commitment Card, please do so quickly so we may continue our church's mission and ministry programs in 2011. Together we can do much more, together we can change more lives in the name of Jesus.

On Behalf of the Stewardship/Finance Committee,
Bob Boll, Chair
